## ice melter with CMA

### Anti-Corrosion Formula

Specially formulated with CMA (Calcium Magnesium Acetate), an efficient corrosion inhibitor, makes Landscaper's Choice<sup>®</sup> one of the least corrosive ice melters on the market.

### Fast Acting

Landscaper's Choice<sup>®</sup> combines the most effective de-icing ingredients creating the desired reaction to initiate the de-icing and meltdown. Landscaper's Choice<sup>®</sup> when pre-applied prevents ice and snow from bonding to the surface area. As Landscaper's Choice<sup>®</sup> goes to work, its time-released formula stays on the surface area longer, helping to reduce the freeze/thaw cycle.

### Non-Tracking Formula

Landscaper's Choice<sup>®</sup> won't leave an oily residue, which can be damaging to carpets, floors, leather or various types of footwear.

### Reliable Ice Melter

Landscaper's Choice<sup>®</sup> goes after the ice and snow; clearing the way to safety. This specially formulated product contains "Dolomite" for added traction control, further enhancing performance.

### Easily Dispersed & Extended Shelf Life

Landscaper's Choice<sup>®</sup> is specially formulated with an anti-caking agent to allow free-flowing dispersion.

### Visually Measured

Not only will you see the quick action of Landscaper's Choice<sup>®</sup>, specially coated with a green color indicator, going to work on the ice and snow, this product will allow precise spreading to ensure cost-effective dispersion.

#### HELPS ENHANCE SOIL

Formulated to provide soil supporting compounds.

#### LESS DAMAGE TO INTERLOCK

Reduced damage to wood and interlock makes this one of the safest ice melters.

#### LESS HARMFUL TO VEGETATION AND PLANT LIFE

Landscaper's Choice<sup>®</sup> is less harmful to grass, concrete or shrubs compared to the leading ice melt.\*

\*When used as directed

#### REDUCED CORROSION TO METALS

Anti-corrosion agents reduce damage to vehicles, equipment and other metal surfaces.

#### FAST ACTING AND EFFECTIVE

Initiates de-icing and meltdown faster compared to the leading ice melt brands. Formulated with extenders to last longer.

#### NON-TRACKING

Will not harm carpets and floors, and will not damage leather or footwear.\*

\*When used as directed
